AMERICAN Medical Association. Council on Pharmacy and Chemistry
New and nonofficial remedies, 1958-[illegible] Philadelphia [illegible]
Eds. before 19[illegible] consisted essentially of two principal sections: the first, containing general statements and monographs describing actions, uses and dosages of various drugs; the second, tests and standards for Council accepted drugs for which standards are not available. Since 19[illegible], the second section is issued separately by the Chemical Laboratory of the American Medical Association, under title: Tests and standards.
Continued by New and nonofficial drugs, issued by the association's Council on Drugs.
Supplements accompany some volumes.

MOORE, ANN (PEGG) b. 1761

An ACCOUNT of the extraordinary abstinence of Ann Moore of Tutbury, Staffordshire ... who has, for more than two years, lived entirely without food; giving the particulars of her life to the present time; an account of the investigation instituted on the occasion, and observations on the letters of some medical men who attended. Also other similar cases of abstinence, etc. The 1st American, from the 2d English edition. Philadelphia, Joseph Humphreys, 1811.
36 p. 20 cm.
2d English ed. was published with corrections and additions in Uttoxeter in 1810. Also published London in 1810 and 1813?
Moore, Ann (Pegg) [illegible]
WZ270 [illegible] [illegible]-277

An ACCOUNT of the extraordinary abstinence of Ann Moore of Tutbury, Staffordshire, England. Who has for more than three years, lived entirely without food, giving the particulars of her life to the present time; an account of the investigation instituted on the occasion; and observations on the letters of some medical men who attended. 2d American from the 2d London edition. Springfield, Massachusetts, Thomas Dickman, 1811.
36 p. 21 cm.
Differs slightly from the 1st American edition published in Philadelphia, 1811. The advertisement to the 2d English edition has been omitted, and the introduction shortened. The note at end by Thomas Ford, testifying to his belief in the truth of the preceding account, dated Boston, ... 1811 ... has been added.
